

## **A/C EXHAUST TILE & DUCT CEILING KIT**

**KEEP TEMPERATURES DOWN WHERE YOU NEED IT MOST.**

**Norseman's portable A/C Exhaust Tile & Duct Ceiling Kit is an all-in-one indoor A/C ceiling kit designed to exhaust warm air away from indoor settings while providing cool, fresh air.**

Manufactured using lightweight, tear-resistant Polyethylene (PE) fabric that is easy to install, handle and clean, the solid-tube duct has a smooth, efficient, quiet airflow. We've made this duct easy to use; its wider cuff and the industry's first integrated QuickGrip™ collar make it easier to handle and install. You don't need any additional tools to connect your duct tightly to our lightweight fire-retardant (FR) ABS ceiling tile. The innovative step-flange design is taller and features a deeper flare to secure the duct to the tile, giving you a reliable and secure connection.

**In-stock, ready to ship from one of our distribution locations. Norseman's A/C Exhaust Tile & Duct Ceiling Kit is **GEAR2PERFORM**.**

**NORSEMAN, YOUR ONE-STOP SUPPLIER OF **GEAR2PERFORM**.**

# A/C EXHAUST TILE & DUCT CEILING KIT

## GEAR INFORMATION

### **DUCT SPECIFICATIONS:**

- Manufactured with FR PE fabric; water, mold/mildew and fire resistant, and odor free.
- Puncture damage and tearing are limited through high tensile strength, ensuring performance isn't compromised.
- FR PE wear strip provides an additional layer of protection.
- Standard colors: White with white wear strip.
- UV-resistant chrome finish ensures a bright-white, no-fade professional look, even after extensive use.
- Lock stitching minimizes wear and tear and creates a long-lasting duct.
- Wire helix provides a strong structure, ensuring consistent airflow in both horizontal and vertical applications.
- PE fabric's smooth interior provides maximum airflow with minimal friction loss, delivering the maximum volume of air to where you need it.
- New patent-pending QuickGrip collar secures to any HVAC unit quickly and efficiently, no tools required. Our most secure and versatile collar.
- Integrated compression straps assist with carrying and ensure compact storage.
- Passes FR testing to NFPA 701 and CAN/ULC-S109 standards.

### **TILE SPECIFICATIONS:**

- Made from rugged, flexible ABS material.
- Easy-to-clean, wipeable surface.
- Finished edges prevent cuts and scrapes.
- Step-flange neck lets you stack, transport and store.
- Connect to ducts easily with our taller flange neck.
- Fitted ceiling tile gives a professional look to temporary or long-term installations.
- Passes FR testing to NFPA 701 standards.

### **CEILING KIT SPECIFICATIONS:**

- Made from rugged, flexible ABS material.
- Easy-to-clean, wipeable surface.

### **STANDARD SIZING:**

**DUCT SIZING:**

- 12" x 8'

**TILE SIZING:**

- 24" x 24"

### **TEMPERATURE RATING:**

-22°F to 200°F (-30°C to 93°C)

### **CUSTOMIZATION:**

*Custom Options Available*

ITEM NUMBER	PRODUCT DESCRIPTION	DIAMETER	LENGTH
451164	Duct with Belted-Cuff Collars	12"	8'
453904	Ceiling Tile for 12" Duct	24"	24"
